

To enhance our IT department in Munich, we are looking for a working student who will act as a supporting contact person and solution finder for the IT requests of our employees. You will have the opportunity to work independently and take on responsibility right from the start. Your working time would be around 15 to 20 hours per week and can be individually adapted to your schedule.

Working Student (m/f) IT Support

Your responsibilities

- Providing internal IT support including problem solving/trouble shooting for all our employees by applying and maintaining our ticket-system
- First-Level-Support for Microsoft applications, ERP/CRM systems, printers and mobile devices
- Installation and maintenance of work stations as well as the implementation of software installations
- Setting up user accounts, allocating and managing user rights in Microsoft Active Directory as well as internal process documentation
- Maintenance and cabling of IT infrastructure components

Your Skills

- Currently enrolled in computer science or similar, alternatively relevant experience and high IT affinity count as well
- Preferably, a good knowledge of the above mentioned tasks and willingness to familiarize easily with the tasks
- Good command of German and English
- High team spirit and a strong hands-on mentality
- A service minded approach when it comes to interacting with our employees

Our Offer

- An exciting job which can be easily adapted to your class schedule
- A broad spectrum of diverse tasks where you can apply your knowledge and make use of your IT affinity
- The opportunity to take on smaller projects independently
- A great working atmosphere at our office in the heart of Munich close to the Ludwig-Maximilian University

You are interested in gaining practical experience and you would love to work 10 to 20 hours per week on two days of your choice?

If so we look forward to receiving your application. Please send us a cover letter, your CV, a current enrolment certificate and your grades to Victoria Dahlmeier by using our [Online Application Form](#).
