

We are looking for a Financial Accountant who wants to bring in his experience and knowledge to shape and optimize the processes of our fast growing company. You will be the first internal and external contact of our Accounting department and responsible for our monthly/quarterly and year-end reports.

Financial Accountant (m/f) in Full-time or Part-time

Your Responsibilities and Duties

- Independent preparation of monthly/quarterly and year-end reports according HGB
- Responsibility for our monthly turnover tax advance return and first contact for tax consultants and auditors
- Optimization and further development of our processes as well as our IT systems
- Preparation of data for our internal reporting systems
- Support of our colleagues in the day-to-day operations, e.g. regarding fixed asset accounting, accounts payable and receivable, travel expense accounting and accrual

Your Skills and Qualifications

- A completed commercial professional training (further education as Certified Accountant a plus), university degree in Business Administration or equivalent
- Professional experience in financial accounting and experience in Intercompany Reconciliation is of advantage
- Identification of further optimization potential in regards to our finance processes in general as well as for our software tools
- Very good knowledge of a financial accounting software and MS-Office
- Fluent proficiency in spoken and written German and English

What We Do Offer

- A diversified and challenging field of responsibility, the opportunity to bring in your own ideas as well as an excellent work atmosphere at our location in Munich – from July 2018 on in our new headquarter in Munich-Haar
- Much independence and individual responsibility within a high professional team
- Development opportunities within a technologically challenging, international, high-tech environment
- A permanent employment in Munich with attractive social benefits such as a pension allowance and a performance-based bonus as well as numerous team events

Do you describe yourself as a very meticulous and reliable person who wants to assume responsibility? We are looking forward to your application. Please send us a cover letter including your salary expectations along with your complete CV and copies of your degrees to Victoria Dahlmeier by using our [Online-Application Form](#).
